SUMMARY

A dedicated full-stack developer with expertise in Python, JavaScript, ASP.NET, and database management. Experienced in building efficient and scalable web applications using modern JavaScript frameworks. Passionate about Machine Learning and its applications in the real world.

EDUCATION

Bachelors in Computer Science   Aug 2022 - Present
National University of Computer and Emerging Sciences
CGPA: 3.2/4.0

A levels, Engineering   Aug 2020 - June 2022
Highbrow College

KEY COMPETENCIES

- **Programming Languages:** Python, JavaScript, C, C++
- **Markup Languages:** HTML, CSS, Bootstrap
- **Frameworks & Tools:** React.js, Node.js, Express.js, ASP.net, Tailwind CSS, Git
- **Database:** PostgreSQL, MySQL
- **Skills:** Artificial Intelligence, OOP, Data Structures, Algorithms

PROJECTS

SoleMate - E-commerce Footwear Store (PERN Stack)
- Built a footwear e-commerce store with PERN stack, featuring dynamic product listings, cart, and secure payments.
- Created a robust PostgreSQL backend and optimized React frontend for seamless performance across devices.

MegaStore - E-commerce Website (HTML, JavaScript)
- Developed a responsive e-commerce site with HTML and JavaScript, offering intuitive browsing and purchasing.
- Enhanced functionality with JavaScript for real-time updates, validation, and interactive user features.

BackendCourier - Courier Management System (C++, Ubuntu)
- Designed a C++ courier system on Ubuntu for tracking, scheduling, and optimizing delivery routes.
- Utilized OOP and data structures for a scalable backend managing courier records efficiently.

EXPERIENCE

WordPress Development Intern, Grothico   June 2023 - Aug 2023
- Gained hands-on experience in WordPress development, working on diverse web applications.
- Developed and customized WordPress websites under experts.
- Enhanced understanding of WordPress architecture, themes, and plugins.

Syncrothon Head, Developers' Day 25   Mar 2025 - Present
- Served as Syncrothon Head for Developers' Day 25, leading a prominent operating system competition, showcasing strong leadership and collaboration.
